Intro

This one of 14 solos from Dan Denley’s **Lead Guitar Secrets™** course (coming **July 20, 2007**). The complete course includes 4-DVDs with 7-hours step-by-step video instruction, 1 professionally recorded audio CD with 99 tracks, 1 CD-ROM tutorial and a professionally printed workbook complete with tab and notation.

Topics covered in Lead Guitar Secrets™:

- **How to build massive finger-strength and agility.** Benefit: Helps you fret difficult chords, long-stretches across many frets, increases stamina, less "sore" fingers and increases speed...
- **50 lead guitar licks** that every solo guitarists needs to know. Benefit: Helps build your "arsenal" of lead guitar licks that you can "copy-paste" into your solos at will...
- **How to master the pentatonic scale** in all it's forms. Benefit: The Pentatonic scale is THE most important scale to "master. It's the most commonly used scale in guitar solos in most styles of music especially blues, rock and country.
- **The seven modes of the major scale.** Benefit: Learning the modes and how to apply them will open-up a world of new solos possibilities for any guitarist: colors, tones, major-minor harmonies and much more.
- **14 hands-on, step-by-step guitar solos.** Benefit: These 14 guitar solos were written to teach specific skills including connecting scale patterns, using the entire fretboard, common rhythmic patterns, bends, attack, hammer-ons/pull-offs, etc.
- **Understanding scale-chord relationships.** Benefit: you will be able to look at nearly any song and quickly determine the scale possibilities for your solo (usually more than one).

What People Are Already Saying About Lead Guitar Secrets™:

“You already have my interest in Lead Guitar Secrets! I'm working on the program I purchased from you, Blues Guitar Secrets. It's teaching me more than I have ever learned. **Let me know the minute your new project becomes available!**”

Chuck Chirdon

“I bought the AGS course, the Blues course and **can't wait for the Lead Guitar Secrets course!** You're the best and so is your instruction.”

Mark D. Lee

“I have all of your other courses and **I can't wait to get this latest edition “Lead Guitar Secrets”**. Thank you very much for taking the time and energy to share your blessings with us!”

Rob Reid

“I have never had anyone explain modal theory and application as clearly as you did in the sample video. **I cannot wait to see your new course!**”

Ben Beck

“Once again Dan thanks for all your help. Some of the so-called internet “lessons” on learning to play guitar are, quite frankly, just that: “so-called”. But **all your stuff is the real McCoy.**”

Phil Holland

“I own your AGS and BGS course . And without hesitation **I will buy your Lead Guitar Course.** I have learned so much!”

Larry Laprocina

“Thank you so much for all your videos from your new course [Lead Guitar Secrets]. **I'm going to get it when it comes out.**”

Keegan Meiring

Your video clips lead me to believe your course is not the usual crap that most people sell. And I've done my research. I'm really looking forward to the lead stuff!

Sam

“Thanks for all the videos from Lead Guitar Secrets. I have a number of gigs and **this will help a lot!**”

**Brian Andresen
Livermore, California**

The customer service I have encountered since I first purchased Dan's courses is bar-none - most excellent!

Rob

Wow, Great video! I know that LGS is going to be a great add-on. **Can't wait to purchase it.**

Aaron Halpern

I'm fortunate to have studied under your amazing course [AGS]. **I will surely buy your lead course [LGS].**

Kush Narula

“It's fantastic to hear these theoretical concepts, like modes, really start to make sense. **After watching your first video on lead guitar I'm slowly building my fingers back up to strength.** Thanks mate!”

Brad Klinkrad

“I really like your style and teaching method. I am very interested in your new lead videos. **Give me a shout when you're ready to ship!**”
